

THROUGH THE LENS- LONGMEADOW 100 YEARS AGO

sponsored by the Longmeadow Historian

Storrs House built in 1786 is the home of the Longmeadow Historical Society. As you can see from the above photos the house appearance has changed. When Storrs House was moved a short distance in late 1932 to make space for the present Storrs Library, the front and back porches, rear "ell" and side "bump out" sections of the house were removed.
